### MAY 2019 Newsletter

#### President's Corner

I am looking at the calendar and realize we are coming to the end of our current year that ends June 30. But we have activities to interest and entice you so join us in May and June as we send off the 2018-2019 year.

We begin the month with a Movie Afternoon on May 6 at Evelyn Lovitz's house again. See the newsletter for details. For those who didn't catch A Star is Born (recent remake), here is your chance. It is light out when we finish so you don't have to drive in the dark.

We end the month on May 31 at the Cape Shore Laboratory on Delaware Bay to see the oyster farm and learn how oysters are cultivated. This is a tour for us to become familiar with a growing industry in Cape May County. See the newsletter for details.

Also, Chris Rohrman, Sandy Sieber and I will be attending the Scholarship Awards Ceremony at Atlantic Cape Community College in May. We will introduce you to our new scholarship students in the June newsletter. It is always exciting to see where the scholarship fundraising efforts find a home with the students who benefit from all your support.

Looking into June, the Women's Resource Luncheon and Hat Show fundraiser will be June 9th. You should have your invitation by now. When you sign up and send in your money, please make a note that you want to sit at an AAUW table.

Finally, the State organization is posting information about a New Jersey AAUW field trip September 19-20. The announcement is in this newsletter. It looks very interesting, especially to visit the site of the beginning of the Women's Movement.

#### STEM

1. Next on our docket is our Meet 'n Greet at Stockton for the 60 campers selected by their counties on Saturday, May 11 from 1-3. It provides a thorough orientation of camp for the campers and their families.
2. Wednesday, May 29 brings Teen Tech (9th - 11th grade girls) at Stockton campus Center from 8:30-2:30 where they will have a morning workshop – lunch - and a second workshop. I still need a few volunteers to lead groups to both workshops. Lunch is provided for volunteers. It's an interesting and fun day. Please contact me. [Ghdath@comcast.net](mailto:Ghdath@comcast.net) if you

are available. Thank you to those 20 who have already signed up.

3. July 21-27 brings our amazing Tech Trek Camp at Stockton U.!!!. We (and many statewide volunteers) work extremely hard year round to bring this camp to 60 (out of 134 applicants this year).

We would love to have you visit on Tuesday or Thursday to see what happens. You may volunteer in many capacities: Dorm Moms (overnight or daytime), daytime volunteers, perhaps workshop volunteers, get snacks donated, help filling backpacks on the 20th, etc. Atlantic County will have 5 girls attending.

## COLLEGE CONNECTIONS

[wdeborah538@gmail.com](mailto:wdeborah538@gmail.com)

Six members of the Atlantic County Branch took part in the two-day state annual meeting called **“Women Leaders: Today, Tomorrow, and the Future!**

**Kimberly Churches**

The **“Mobilize a Million”** campaign to educate and train a million or more women in the art of negotiating a salary was introduced by our national CEO, **Kimberly Churches**. She presented a quick overview of the online course and stressed the importance of economic security in today's financial and political environment. We would like to see at least a million women and girls involved in the **Start Smart/Work Smart** program. Kimberly stressed that achievement of economic security for women is the primary goal in this campaign.

**Claudine Keenan**

Debbie Walker attended the presidents' sessions, Ann Marchesani and Gail Davis registered attendees, Carolyn Bassett and Claudine Keenan made presentations about AAUW projects in NJ, and Carol Zerbe also was present. Students from Stockton U., Georgian Court College, and Brookdale College were there both days and shared their reactions to our program and also gave suggestions for what they looked for in a mentor.

Kimberly Churches, CEO at AAUW spoke about Start Smart and AAUW's focus on women's economic security.

There were two panels of women who had recently been elected to local offices. They spoke about what had motivated them to run, how they had gained strength from working with other women, and the importance of owning your own narrative.

**SEEKING 2 FUNDRAISING GURUS to JOIN US!**

Sue Laufer and I are seeking two new or not so new members to work with us on the CMCC-AAUW fundraising committee. After 5 years one needs fresh and new ideas and new walking shoes.

Fundraising is a way to meet great people who want to help our community, try out creative ideas and find out who follows through in their support.

If you would like to join us for the 2<sup>nd</sup> part of the 2018-2019 year (ends with the picnic in June) please send us an email or give us a call. We also plan an event for the September fall meeting.

It’s fun and exciting work which has allowed us to increase our scholarship amount and find additional money for STEM.

**FROM YOUR TREASURER**  
bheinrichs46@earthlink.net

National AAUW has completely revised their system of collecting dues for the July 2019-June 2020 year. Members are encouraged to renew their membership on-line. Paying the treasurer by mail with a check, of course, is still an option.

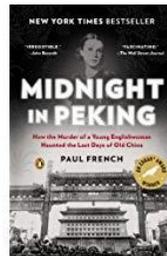

Each member will receive an individual, personalized dues notice via email from [aauw.org](http://aauw.org) this week. It will give you a link to renew your dues with a credit card or my name and address for a check if you so choose.

Dues remain the same as last year: \$79 for National, State and our local chapter.

If you are not renewing for any reason, please let me know and I will take you off the reminder list.

**READERS NOTE – Books for the Daytime and Evening meetings for May and June are posted on our website under Activities - Book Groups**

## EVENT CALENDAR

for May & June

**May 6** Movie Afternoon

### **May 31: CHANGE OF VENUE**

We will meet at Cape Shore Laboratory in Del Haven. However if anyone wants to car pool please contact Karen Weis and she will try to find a driver for you. The directions are below and there is time to scout the turnoff from Route 47. The visit begins at 1pm. Wear walking shoes as we will walk to the Delaware Bay to see the oyster farm itself. Assume dirt or gravel walking conditions. Our host is member Eleanor Bochenek who works for Rutgers.

### **From Garden State Parkway**

Take the Garden State Parkway to Exit 4 (Rio Grande/RT 47). Exiting from south - turn left at the bottom of the ramp; from north turn right at bottom of the ramp. This puts you north bound on Route 47. See below.

### **From Intersection of Routes 9 and 47**

Continue north on Route 47 for ~5-6 miles and Turn left just past Delsea Woods Community onto an unmarked crushed shell road (if pass King Nummy Campground and/or reach the traffic light at Indian Trail Rd, you have gone

about a half mile too far). Simply follow the shell road (obeying the 10 mile per hour speed limit) for about a mile to the Rutgers University Cape Shore Laboratory through the gate at the end of the road when you reach Delaware Bay. The first building on the left is our dormitory and you may park there. Walk around the bend to the two-story hatchery/laboratory/office buildings.

If you wish to see a picture of the route please go to the following url. [hsrl.rutgers.edu](http://hsrl.rutgers.edu) and click on Directions to the Cape Shore Laboratory

I suggest you email either Chris Rohrman or Karen Weis to let us know you are coming so we can look out for you.
